Hello Sandrine,

I've attached my response to each item. Some are now being requested from my library, some are cited in other documents. I will send the remaining PDFs individually as they are quite large in size.

Thanks,

Peter

Dear Participant,

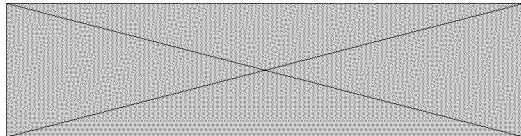

Please find attached a list of references cited in your draft, unfortunately our library couldn't get those articles.

I should be very grateful if you could send me a pdf-file, if available.

Thank you very much for your help.

Best regards,

Sandrine EGRAZ
